WASH.D.C.....Secy of Defense Geo.C. Marshall at desk...says "The observance of Armed Forces Day finds us engaged in actually fighting agression in far off Korea, and arming ourselves to protect our freedoms and those of the world democracies. With the active support and the full cooperation of the American people we should soon attain a military posture of sufficient strength to deter further agression. As Secretary of Defense, I extent you a cordial invitation to visit the militar installations nearest to you which will be open to the public on Armed Forces Day, May 19th, and become better acquainted with you own military forces. I am quite certain General Bradley joins with me in this invitation.
